

# Water

## Pressure Sensors

### NOW OFFERING AST WATER PRESSURE SENSOR SOLUTIONS

Wilson Company now has a full line of pressure instrumentation for the water industry

#### APPLICATIONS INCLUDE:

- Water Pumps
  - » Residential » Municipal » Irrigation » Commercial
- Reverse Osmosis, Sub-Sea & Desalination
- Filtration Monitoring
- Water Wells and Sewage Lift Stations

Contact any of the 7 Wilson locations for a copy of the *AST Water Pressure Sensor Solutions Brochure*.

#### AST Profile

American Sensor Technologies, Inc. (AST) is a US manufacturer of MEMS pressure sensors, pressure transducers, and pressure transmitters.

Using **Krystal Bond™ Technology**, AST is the leader in pressure sensing solutions. Without the use of welds, fluid filled cavities or O-rings, AST pressure sensors are machined from a single piece of stainless steel.
